REACH STATEMENT

Mimaki Europe hereby confirms, to continuously improve the health and environmental performance of their products. We comply with the restriction of SVHC (substances of very high concern) in EC 1907/2006 (REACH-Registration, Evaluation, Authorization and Restriction of Chemicals) regulated by the European Union.

Mimaki prefers to use inks without substances of very high concern and continuously evaluates, evaluating based on the supplier information, for all our products which may contain the SVHC substances (Date of publication: Jun 2023), REACH Annex XIV (authorisation list: review April 2022) and REACH Annex XVII (Restricted Substance list: review Oct 2023).

We declare LH-100 ink does contain two substances of the SVHC and one substance of REACH Annex XVII (cf. appendix 1). The purpose of the use of the inks is in compliance with REACH Annex VI and Annex VII. Due to REACH Annex VI and VII listed substance LH-100 inks are restricted to professional use.

Your sincerely,
